NON-DISCRIMINATION POLICY:
The goal of Central Oregon Community College is to provide an atmosphere that encourages our faculty, staff and students to realize their full potential. In support of this goal, it is the policy of Central Oregon Community College that there will be no discrimination or harassment on the basis of age, disability, sex, marital status, gender identity, genetic information, citizen status, veteran status or any other classes protected under Federal and State statutes in any education program, activities or employment. Persons having questions about equal opportunity and non-discrimination should contact the Equal Employment Officer, c/o COCC's Human Resources office, 541.383.7216. Faculty, staff and students are protected from discrimination and harassment under Title VII of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972. Persons attending classes or events who need accommodation for a specific disability should contact the office of Services for Students with Disabilities at 541.383.7583. Persons needing physical accommodation for a college special event should contact the ADA Coordinator at 541.383.7775. Further inquiries may be directed to the Affirmative Action Officer, c/o COCC's Human Resources office, 541.383.7216.

RESIDENCY: Residency classification will be made according to the following definitions; see the COCC Catalog for complete details. Note that in-state and out-of-state students will convert to in-district two years after the term they begin classes:
In-district residency: An individual who, for one full year prior to beginning to take credit classes has either: a) owned property (or if under the age of 24, whose parent/guardian owns property); or b) maintained a permanent and continuous residence in the district will be classified as an in-district resident. The COCC district consists of all of Deschutes, Crook and Jefferson counties, the northern portions of Klamath and Lake counties and the Warm Springs Indian Reservation in Jefferson and Wasco counties.
Out-of-district (in-state) residency: An individual who, for one full year prior to beginning to take credit classes has either: a) owned property (or if under the age of 24, whose parent/guardian owns property); or b) maintained a permanent and continuous residence in the state of Oregon (but outside the COCC district) will be classified as an out-of-district student for two calendar years after the term in which the student began courses; at that time, the student will convert to in-district residency.
Out-of-state residency (CA, ID, NV, WA residents see exemption): An individual who has not maintained a permanent and continuous residence in the state of Oregon during the year prior to the beginning of the first term of enrollment will be classified as an out-of-state resident. The student will remain an out-of-state student for two calendar years after the term in which the student began courses; at that time, the student will convert to in-district residency.
Exemption: Per Oregon Administrative Rules, residents of California, Idaho, Nevada and Washington will be charged out-of-district (in-state) tuition.
Verification: Residency of each applicant for college credit courses is determined from information provided at the time of application. When there appears to be an inconsistency, the college staff may require documentation to verify residency.
Native American Students: Students who are enrolled members of federally recognized tribes of Oregon or who are enrolled members of a Native American tribe which had traditional and customary tribal boundaries that include parts of the state of Oregon or which had ceded or reserved lands within the state of Oregon shall be charged in-state tuition regardless of their state of residence (note that residents of the Confederated Tribes of Warm Springs are charged in-district tuition). For a listing of eligible tribes, visit COCC's website. Note that students must provide a copy of tribal enrollment documents to the Director of Admissions/Registrar prior to starting classes.
Military Personnel: Certain out-of-district and out-of-state veteran students will be classified as "non-resident Veteran" students for residency/tuition classification purposes.

CERTIFICATE & DEGREE DESCRIPTIONS

AAOT

Associate of Arts Oregon Transfer

Most students who intend to transfer will find that the Associate of Arts Oregon Transfer degree suits their needs as it is intended to meet the lower-division general education requirements for all Oregon public universities and some private colleges. The AAOT allows students to transfer with junior standing for registration purposes.

AS

Associate of Science

The Associate of Science degree is designed as a transfer degree for students who want to transfer to a specific four-year college or university in a specific major. The student and advisor work closely together to tailor the courses to meet the transfer institution's lower division general education and major requirements.

Please Note - Not all certificates and degrees are eligible for financial aid.

AAS

Associate of Applied Science

The Associate of Applied Science degree trains students in specific technical areas to prepare for immediate employment upon graduation. The AAS degree provides students with the hands-on technical skills needed for employment or certification/licensure in a variety of career areas. Students should note that the AAS degree is generally a two-year degree option for full-time students.

STCC & CC

Short-Term Certificates and Certificates of Completion

Short-term (less than one year), one year, and two year Certificates of Completion provide hands-on training in a variety of technical areas, with the goal of giving students the skills needed for various technical jobs. Many certificates of completion allow students to stop at a variety of points, gain employment in the field and return at a later date for more advanced training.
